

MATRIX NAC

The direct hire union division of Matrix Service Company, Matrix NAC provides procurement, construction, maintenance and repair services to the power generation, electrical, oil, gas & chemical, storage solutions, and industrial markets across North America since 1986. Our unparalleled commitment to safety, quality and client success has made us an employer and provider of choice, as well as earned us industry recognition year after year.

Safety. Integrity. Positive relationships. Community involvement. Stewardship. Delivering the best. These core values have forged our reputation for excellence.

A HIGHER STANDARD IN CONSTRUCTION.

A COLLABORATIVE PARTNER

Matrix NAC's strength is found in our long and successful track record in the power, electrical, oil, gas, and chemical, storage solutions and industrial sectors, built on our deep understanding of the industry needs. This is in large part to the close, collaborative partnerships we build with our customers. Our focus and flexibility give us the mindset to deliver solid project results through an uncompromising focus on safety, integrity and a comprehensive in-house project delivery skill set and the flexibility to work within the clients and industries best practices.
